144 Lake Bonavista Scout Group 144scouts.ca

The Beaver, Cub, Scout, Venturer, and Rover programs have started their exciting Fall programs that include:

- A canoe trip down the Bow River
- Canoe fun on the Lake.
- The Scouts and Venturers will participate in the Regional Night Game 'The Great Escape' that challenges them both physically and mentally (to stay safe, out-wit and out-run!).
- Link Camp! All Sections get to camp together during our annual weekend camp in late October

Bottle Drive and Popcorn Sales

Our first Bottle Drive of the Scouting Year was September 23rd. We truly appreciate the support of Lake Bonavista residents by donating your bottles to the Scouts. This and Popcorn sales in November are our two main fundraising activities that make it possible to use facilities in this community to run our program.

Did you know? Lake Bonavista's Girl Guides partner with the Scouts for bottle drives so the youth can share both the effort and raised funds.

2017 Jamboree in Halifax, Nova Scotia

Our Scouts and Venturers attended Scouts Canada's National Jamboree in Halifax, Nova Scotia, and the Rovers were in Iceland!

The Scouting programs would not be able to run without our many volunteers: a huge **thank you** to the youth and adult volunteers who step up to run the weekly meetings, camps, expeditions and excursions.
