Important FAQ

Where: Lake Bonavista Scout Hall (aka “The Pond”) located at 1715 Lake Bonavista Dr SE, Calgary Alberta.

When: Wednesday Evenings, except holidays and outings – Our Beaver Calendar (www.144scouts.ca) will be updated throughout the year

Time: 6:30 PM to 7:30 PM

Sign In/Sign Out: Beavers **must** be signed-in at the beginning of the evening, and signed-out at the end of the evening. When a Beaver is not signed-out, we must activate a process to ensure the Beaver is safe.

Emergency Contact: If you need to contact us during a Beaver meeting (example – will be running late to pick-up) please call and/or text 403-680-4490 until you connect with one of us or receive a response via text. We may not be able to hear the phone during our Beaver meeting, but will check for voicemails/texts towards the end of the evening.

Dress Requirements: Unless otherwise specified, Beavers are expected to wear their full uniform and appropriate footwear at all meetings, outings, and camps. Beavers are responsible for their own Beaver vest and hat. These can be purchased at The Scout Shop (2140 Brownsea Drive NW, Calgary 403-283-7060 – call in advance to confirm hours and availability of

uniform and hat). Our Colony will provide Woggle, Beaver Scout Necker, Group (144th) Crest, Area (Southern Trails) Badge, Council (Chinook) Badge, Lodge Badge, and the appropriate tail (brown, blue, or white). It is ok to wear previous Beaver uniforms from family and friends – just update the badges if required! (chin.scouts.ca/about/scout-shops/)

Footwear: Beavers must have clean indoor running shoes (no crocs, sandals, etc) when at the Pond. Parents please remove outdoor footwear or bring indoor shoes. We are very grateful to the community for letting us use the facility and appreciate everyone keeping the “pond” clean!

Please put names on the vest, hat, and footwear!

Food/Drink: Please avoid bringing food into the facility. Water bottles are ok, and we will have regular water breaks.

Dues: Our 144 Beaver Scouts Colony will not be collecting dues.

Parent Participation: Parents are welcomed and encouraged to stay at the meeting and watch all of the fun! We have a group of volunteers who design and produce this program. If you or your Beaver have an idea for us to consider, we would love to hear about it! If you have a particular skill or knowledge that might interest the Beavers and can be broken down into a 10 or 15-minute segment for the Beavers, we would love to hear about that too. Parents are also invited to attend the Group Council meetings which occur on the second Wednesday evening of each month at the LBCA Scout Hall. Please see the calendar on our website (www.144scouts.ca) for more information.

Parent Connections: Do you or know of anyone that has cool “connections” with any organizations that can potentially be part of our program – Calgary Police Service, Fire, Media, Etc? Past special visits have included CBC, Global TV, STARS, a woodworking shop, a high end auto dealership and garage, etc; we would love to hear from you!

Volunteer Scouters: Want to make a positive impact and difference? We welcome additional Scouters that can help us deliver an even better experience for the Beavers. You determine the level of involvement and commitment you wish to contribute. All of our Scouters are volunteers dedicated to delivering a fun and safe Scouting program to the Beaver Scouts. We provide all of the training and the very cool red uniform!

Forms: We will have activities throughout the year that will require a number of forms to be completed for the Beavers by the Parents. These forms ensure safety and risk management for everyone - thank-you in advance for your cooperation!

Websites: www.144scouts.ca (our 144 Lake Bonavista Group website including the Beaver weekly activity calendar), chin.scouts.ca (our Chinook Council website), www.scouts.ca (our National website)

Scouting Fees

The Registration Membership fees go to Scouts Canada and our local Chinook Council. This pays for: training materials and resources for Scouters, planning programs and activities for youth (these must be planned meticulously to ensure compliance with insurance and health standards), publications and handbooks, World Scouting fees, and Risk Management. Dollar for dollar, Scouts Canada's programs provide significant value to its members. Your registration membership fees are eligible for the Children's Fitness or Arts Tax Credit – official receipts will be issued in the spring.

Regardless of where you live, the \$30.00 Lake Bonavista Community Association Membership Fee per family must be paid annually to participate in any of the LBCA-sponsored programs. The LBCA sponsors our Scout Group, which includes use and maintenance of our Scout Hall. If you have already paid this fee to participate in hockey, soccer or other LBCA activities, proof of payment is required at Registration. Note this is not the homeowners' annual Lake fee. For more information check out: www.lakebonavistacommunity.com/about

Fundraising

It costs approximately \$30,000 per year to run our overall 144 Lake Bonavista Scout group program which includes Beavers, Cubs, Sea Scouts, Venturers, and Rovers.

The Beaver Scouts budget pays for facility rentals and delivery of our programming including crafts, badges, and general supplies. The budget also includes activities such as subsidized camps, The Military Museum, Beaver Buggy races, and other special activities.

The Lake Bonavista Scout Group raises its funds primarily from two activities: Bottle Drives and Popcorn Sales.

- | | | |
|------------------------|---|--|
| 3 Bottle Drives | - | Saturday September 23, 2017 |
| | - | Saturday January 6, 2018 |
| | - | Saturday April 14, 2018 |
| Popcorn Drive | - | September/October 2017 (exact dates TBA) |

Beavers and their parents are expected to attend the bottle drives. Please arrive at 9:00 AM to sign-in, be teamed up with other Scouts (where and when possible), and assigned a section of homes to collect bottles from. Beavers can expect to be finished shortly after lunch. We provide snacks, beverages and lunch at the Hall on the days of the Bottle Drives. We will return your bottle drive deposit cheques to you when you sign-out. If you do not attend the bottle drives, your \$75 deposit cheques will be cashed. If you have concerns or questions about this, please contact Peter Steller or Andy den Otter.

We have also partnered up with an organization that picks up bottles from businesses and other groups on our behalf throughout the year. Current supporters include Agrium, Atco Power, and Shell Canada's Research Facility. If your business or club would like to help us out, please let us know.

For the Popcorn Drive, Beavers will be given an information package in late September including their route/map of local homes to sell popcorn at. In addition to the homes on your map, feel free to sell to family, friends, teachers, and at parents' place of work. The popcorn arrives before Christmas and makes a great gift for teachers & babysitters!

Colony Behaviour and Expectations

At the outset of the program and throughout the year, we will discuss behaviour expectations with all of the Beavers. A well-behaved Colony can have a lot of fun and experience new and interesting things. Expectations and rules will ensure all Beavers have fun and are safe.

You know your Beaver child best. If there are issues or concerns we need to be aware of, please let us know in confidence, and share any approaches/routines that work best for your Beaver. Help us help your Beaver have an amazing experience!
